Sir:

In response to the Decision on Papers Under 37 CFR 1.42 (mailed December 15, 2004), regarding the Declaration filed 10 November 2004, Applicants submit herewith A Renewed Submission under 37 CFR 1.42 with newly executed Declaration for acceptance by the Office of PCT Legal Administration.

The newly executed Declaration is believed to comply fully with the applicable rules for a declaration when an inventor is deceased. The Declaration states the relationship of the person(s) making the declaration to the deceased inventor, including their residence, citizenship, and post office address. The Declaration and Power of Attorney form inadvertently included the deceased inventor's former address and citizenship which was unnecessary because the Declaration has been executed by the legal heirs of the deceased inventor and because all the information for the legal heirs

required by 37 CFR 1.42 is contained in the Declaration. In addition, the Declaration is complete and identifies each inventor.

No fee is believed due for this submission. However, the Commissioner is hereby authorized to charge any fees which may be required by this paper, or credit any overpayment to Deposit Account No. 13-4500, Order No. 6009-4711. A DUPLICATE COPY OF THIS SHEET IS ATTACHED.

Respectfully submitted,

Israel Blum
